200-001

As inspiration of Indian culture, the design is created, so you can see the traditional and the modern from the style of life.

200-003

As a personal fabric artist, I design and create a new collection of fabrics and patterns for you.

200-005

The representation of the design is not intended to be a reproduction of the design as it may vary in color and style.

200-002

The inspiration of this collection is the beauty of nature, its colors and textures, and the way it changes with the seasons.

200-004

As the fragrance of flowers is made by the fragrance of the petals, so the fragrance of the soul is made by the fragrance of the heart.
