The beauty of a woman  
is not in a facial mode  
but the true beauty  
in a woman is  
reflected in her soul

Beauty is a manifestation  
of secret natural laws,  
which otherwise would  
have been hidden  
from us forever.

S.832-003

Beauty is when you  
can appreciate  
yourself. When you love  
yourself, that's when  
you're most  
beautiful.

It is the caring that she  
lovingly gives the  
passion that she shows.  
The beauty of a  
woman grows with  
the passing years.

Beauty awakens the soul  
to act. I don't think  
of all the misery but  
of the beauty that  
still remains.

The beauty of a woman  
must be seen  
from in her eyes,  
because that is the  
doorway to her heart,  
the place where  
love resides...

S.832-005

Since love grows within  
you, so beauty grows.  
For love is the beauty  
of the soul.  
Beauty is in the heart of  
the beholder.
