rangoon

Floral bliss

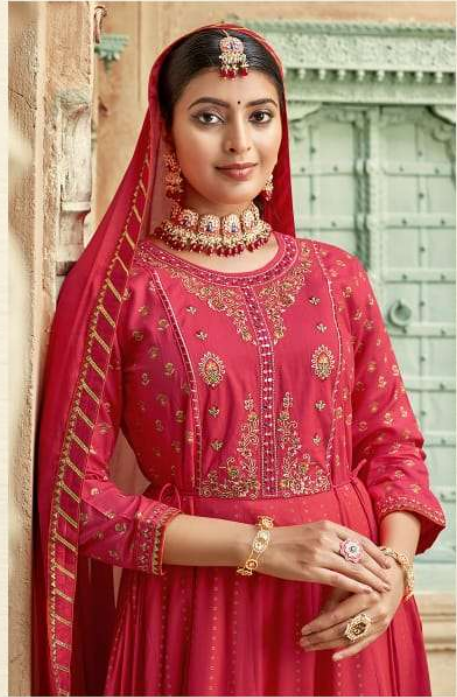

*while most men across the world want to be with you forever,
most women just want to be like you. Forever and ever, for
in your garments is the spirit of eternity, to your soul and
in your magical attire, the world sees salvation.*

Affair remember

*when we choose to take inspiration from history, the result is born a set of vivid
 colorful designs told a story about great fashion and beauty*

Rangoon

Refined luxury

*It was not when our women were called women, when fashion, this season, fashion
bids to the barely slight, then for lady the dressing & gown up, pleasure in
elegantly undressed design, to repeat!*
