my beauty is when you can appreciate yourself. when you love yourself
that's when you're most beautiful
experience the coolness of the color in contrast with the heat of this season

this stands as a classic example of the attire that will make everybody fall head over
heels in love with fashion. a piece that makes a statement without having to say a word

STRONGEST FASHION

the beauty of a woman must be seen from in her eyes, because
that is the doorway to her heart, the place where love resides.

people are like stained-glass windows. they sparkle and shine when the sun is out. but when the darkness sets in, their true beauty is revealed only if there is a light from within.
