SOMETHING

A woman with long, wavy brown hair is smiling and looking towards the camera. She is wearing a maroon-colored Indian outfit, consisting of a long-sleeved tunic with a high collar and a matching long skirt. The outfit is heavily embellished with gold embroidery, including a large central medallion on the chest and intricate patterns along the borders and sleeves. She is also wearing a gold headband, large gold earrings, and a gold ring. The background is a yellow wall with a large archway and a black metal railing.

"The work that I'm trying to do speaks to freedom. It speaks justice. And it also speaks to intelligence in terms of like, how can we not see what's happening."

FASHION
REALITY

"The work that I'm trying to do speaks to freedom. It speaks justice. And it also speaks to intelligence in terms of like, how can we not see what's happening."

"I think our bodies are beautiful,
and I think celebrating them
and being comfortable
in them—no matter what age
you are—is important.
There shouldn't be any kind
of shame or discomfort around it."

NATURAL
BEAUTY

"Fashion you can buy,
but style you possess. The key
to style is learning who you
are, which takes years.
There's no how-to road map
to style. It's about self
expression and,
above all, attitude."
