TREND OF NEW EMERGING GEN-ERATION

9213

In some cases the fashion trends reflect the needs of the public in terms of popular clothes and accessories and in other cases fashion trends require the changes in the public taste. Fashion trends in their own right determine their respective character. But when they are that particular fashion trend is to fall, making one time to study to provide a way to meet a need to come. The abundance of designer houses is a clear manifestation of the demand that the society provides for exclusive continuously changing clothes styles.
