ADOL ES

I beauty is what you make of yourself rather old, live you think,
how much makeup you wear. It's how you present yourself.

BEAUTY QUEEN

Fashion is about dress according to what's fashionable style is more about
being yourself, fashion fades only style remains the same...

ESSENCE OF GRACE

When you love fashion, there is no weekend. Everything just blends together.
Fashion is about how you place the object on the person.

REGAL ATTITUDE

Fashion is not something that exists in dress only; fashion is in the sky,
in the street, fashion has to do with ideas the way we live, what is happening...

FLAM SHINE

Fashion should be stylish & fun, I will appreciate individuality style
is much more interesting than fashion, really fashion should be a
form of expression & not a form of imprisonment.

PERFECT MATCH

The perfect thing in fashion is not to be
impressed but to impress. Just to be
known for a moment. Fashion is
what you wear when you
don't know who you are...

ESSENCE OF PERFECTION

The difference between style & fashion is quality. Fashion is a great thing, it's a way to express who you are. Fashion is inspired by youth & innovation & draws inspiration from the best of the past. Fashion is almost like a religion, for me atleast.
