THE GLOWING DAMSELS

They hail from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold.

UNBLEMISHED BEAUTY

As the ages pass, as kingdoms crumble and new ones rise from the ashes like a glorious phoenix; their beauty is a constant source of illumination to the world around you. These damsels are also dressed in garments which never fade with time, with trends, with fads.

A woman with long dark hair is standing on stone steps, looking down. She is wearing a yellow dress with brown and green abstract patterns. The dress has a high collar with a brown and white geometric pattern, a brown vertical stripe down the center with gold buttons, and bell sleeves with matching geometric patterns at the cuffs. She is also wearing large gold hoop earrings and a large gold ring on her right hand.

They hail from a world where
all is heavenly. They belong to
an age which was truly golden.
Whatever the world had lost is
contained in their bosoms and
in their smile, which shines
with the purest gold.

A PICTURE OF POISE

In the desert land, the sun rules supreme and bears down upon with relentless fury. Not only does it evaporate life, but these disconsolate conditions also suck the desert dry of her. Until her ingress that is.
