

FAVOURED

Fashion is anything which is you and reflects your personality, and if you are comfortable with what you wearing, you'll look trendy and fashionable for sure.

UP-TO-DATE

Fashion is a way to transform yourself. By choosing your own silhouette and shape, you can constantly change who you are.

I used to think fashion was something unattainable and reserved only for people who look like models. But looking back, I've always made bold choices, possibly beginning with the silk jungle print jacket, orange shorts, and Nepalese cap I insisted on wearing every day when I was ten.

*If you feel
comfortable*

*That is the key of this collection,
being yourself. Don't be into
trends. Don't make fashion own
you, but you decide what you are,
what you want to express by the
way you dress and the way to live.*
