TAPSEE

THIS YEAR
2020

the idea of mixing luxury and mass-market fashion is very modern, very now - no one wears head-to-toe designer anymore.

FASHION DESIGNER

Candidates for the editorial internship program should have a strong interest in the fashion world. Strong research skills, responsiveness and persistence are essential. Editorial interns deal with small fees and rewards, help process invoices, find stock copy and assist with research and proofreading. They may have the opportunity to create small pieces for the magazine if they show interest and ability. Journalism school graduates and students with a humanities background are encouraged to apply.
